

To whom it may concern.

This letter serves to confirm that Dale Kopping of [#DKEXP](#) has been of great service to us, the custodians of the Delicious International Food and music Festival and other high profile events.

The photography and other Social Media Services we received from the event in October had been outstanding and we will certainly support Dale in his endeavours to grow his business with us going forward.

We will appoint him as "official tour photographer" for the next event without doubt.

Please feel free to contact me if you need more insight.

Very best regards,

Lloyd Cornwall
