STANDING COMMERCIAL RULES

- 50% deposit before any work starts. No deposit = no booking.
- Quote the core / Most Chosen tier first. Entry tier is the fallback, never the opener.
- Discount on scope only — never on rate. If a client wants a lower price, remove deliverables.
- Photography never sells below R5,000. Event coverage never below R6,500.
- Paid or sponsored content is always clearly disclosed. Independent editorial remains separate.
- Rates valid to 31 December 2026.
